

Finger Puppets

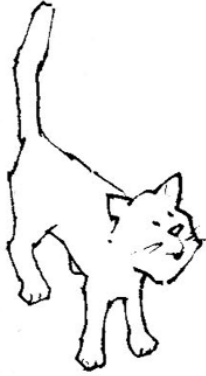

These finger puppets and props are from the story and should be used in conjunction with the ones on page 2 after the story has been read. They can be photocopied for children to colour in, cut out, assemble and then used to act out the story in their own words. This will help children to internalise the key Fire Safety Learning Objectives.

The page below can be photocopied onto A4 paper and then folded into quarters to produce a simple booklet for children to colour in and take home. Beneath each of the pictures is text taken from the Big Book that reinforces key fire safety messages. Alternatively the sheet could be cut into a set of 4 pictures to make a simple sequencing activity.

Ben's dad called 999.

The smoke alarm started beeping and they went outside.

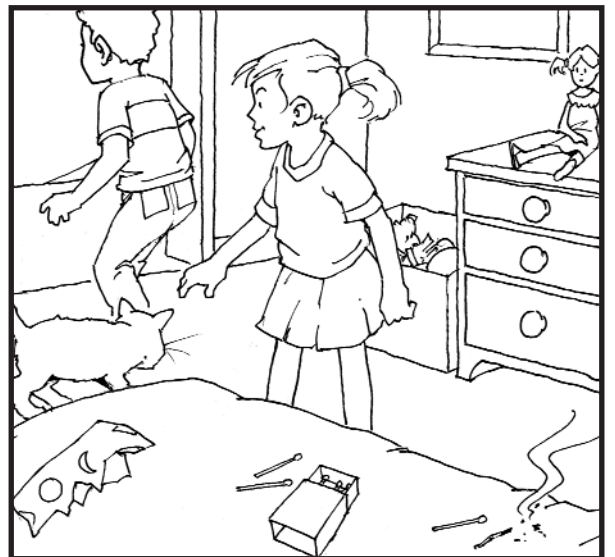

The Fire and Rescue Service came to put out the fire.

Remember: never play with matches or lighters!

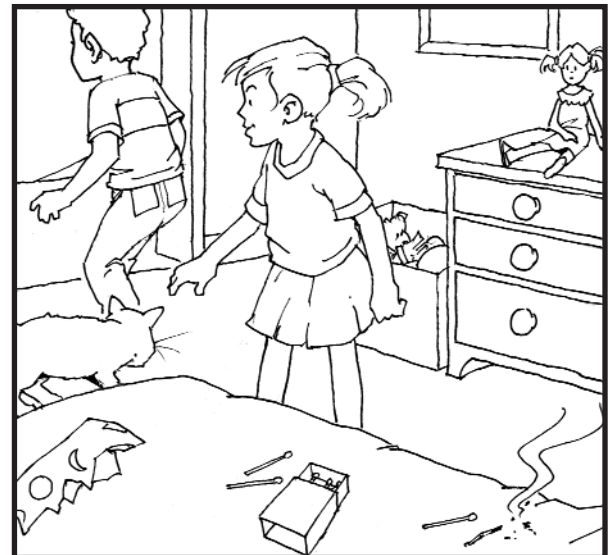

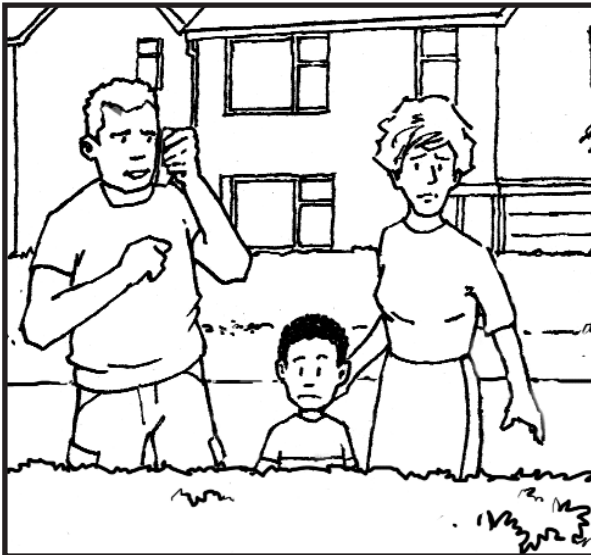

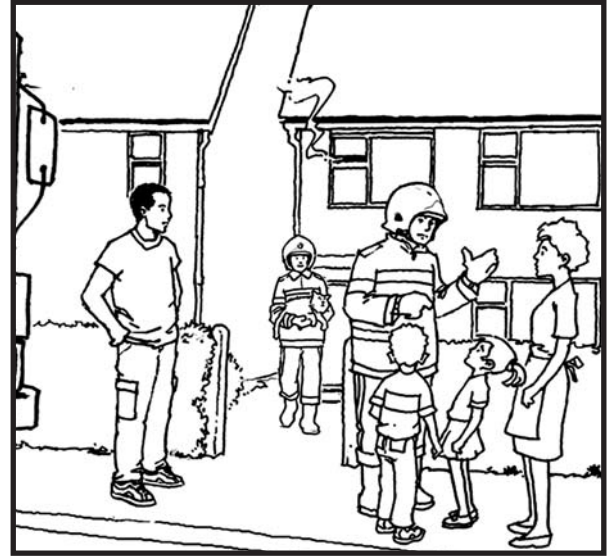

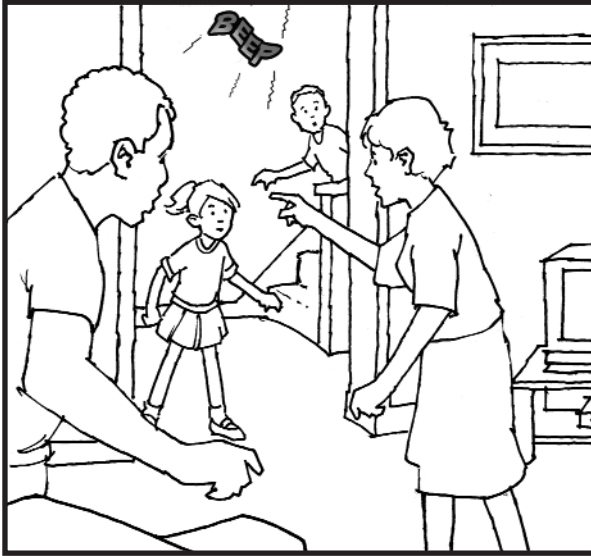

Name: _____

Danger!

Katy and Ben were naughty and played with the matches.

The activity sheet below reinforces the main safety points from the story. It can be photocopied onto A4 paper and used as a simple sequencing activity for children to colour in, cut out and order the pictures. Alternatively more able children could also match the captions to the pictures.

The Fire and Rescue Service come to put out the fire.

The smoke alarm starts beeping and they go outside.

Katy and Ben are naughty and play with the matches.

Ben's dad calls 999.
