Celebrate Safely

At home...

- ➔ Never fill more than one third of your cooking pan with oil and if it starts to smoke, turn off the heat and leave it to cool.
- ➔ Never leave your cooking pans unattended with the heat switched on and avoid getting distracted.
- ➔ Use only enough oil for a diva to last your puja and never leave lit divas or candles unattended.

Out and about...

- ➔ When you go out lock your doors and windows, even if you're only going out for a short time.
Keep your purse or valuables inside a zipped
- ➔ compartment in your bag. Always keep your bag closed and close to you.
- ➔ Be discreet with your valuables, jewellery, money and mobile phone and make sure they are not on show.
