

A long time ago:

- A very long time ago people cooked on open fires.

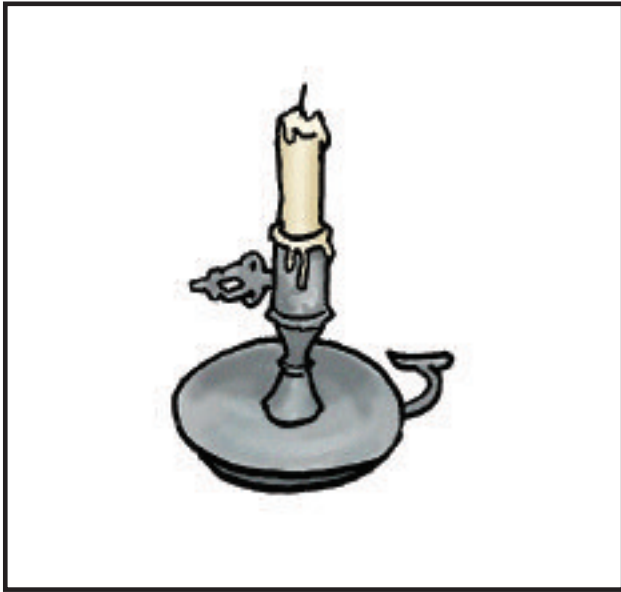

Not so long ago:

- Not so long ago people cooked on a range.

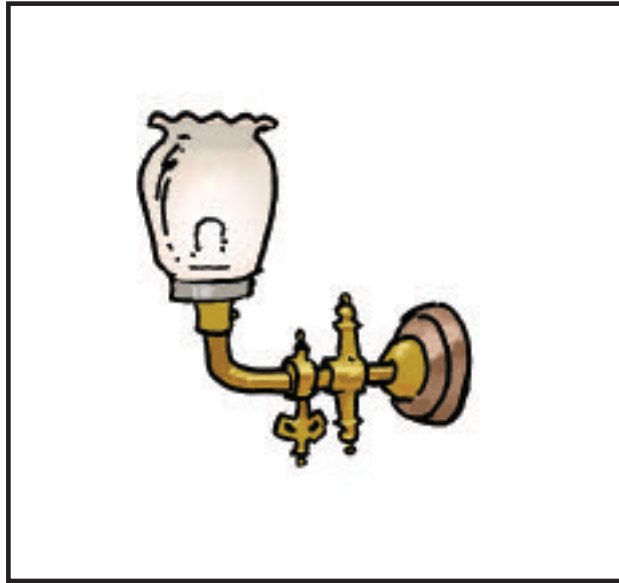

The present day:

- Today we use gas or electric cookers.

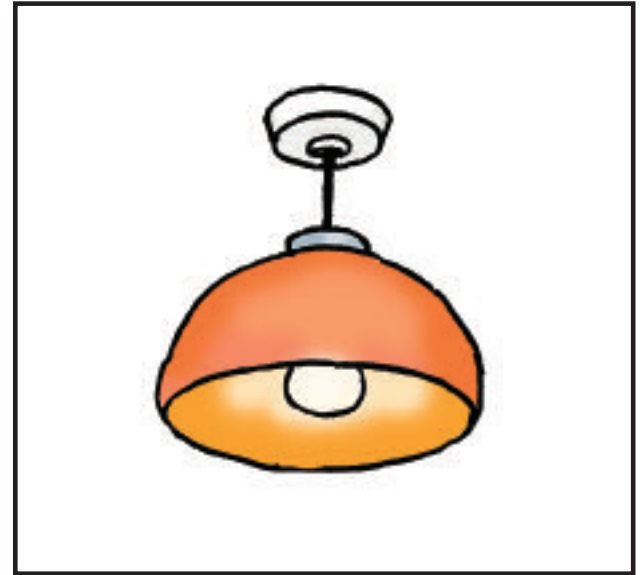

A long time ago:

- **A very long time ago people used candles for light.**

Not so long ago:

- **Not so long ago people had gas mantles for light.**

The present day:

- **Today we have electric light.**
