Authority Source:	Leicestershire Fire and Rescue Service
Data Source:	IRS (Incident Recording System), Leicestershire Fire and Rescue Service
Other Data Contributions:	Ordnance Survey - Districts and Wards
Date Prepared:	03/07/2020
Date Published:	06/07/2020
Description of data/scope:	01/04/2020 - 30/06/2020
Restrictions:	The map(s) are provided under license and are subject to Crown copyright ©. They may not be republished by any organisation not signed up to the Public Sector Mapping Agreement unless licenced by Ordnance Survey under a contractor or private licence, or without the prior permission of Leicestershire Fire and Rescue Service. Totals based on number of incident reports completed at time of Views data production.
Additional information:	The incident recording system that supplies this data is a dynamic system and therefore any data supplied is as up to date as this system allows. Please note there may be some incidents that have not been completed within this system at the point of publication and figures may change at a later date.
Definitions - Primary fire	Primary fires - Generally more serious fires that harm people or cause damage to property.
Definitions - Secondary fire	Secondary fires - Generally small outdoor fires, not involving people or property. These include refuse fires, grassland and fires in derelict buildings/vehicles.
Quality statement:	The Fire and Rescue Service warrants that the information provided above is accurate as at the date of this document but the Service reserves the right after that date to change, at its absolute discretion, the information provided in any way it chooses including but not limited to deletion and addition without further notice to you.
Document version number:	V1.0
