

LEICESTERSHIRE COMBINED FIRE AUTHORITY AUDIT OF ACCOUNTS – NOTICE OF PUBLIC RIGHTS

Please note that Regulation 16(1) of the Accounts and Audit Regulations 2015, requires the Fire Authority to publish (which must include publication on its website) a statement:

- that the audit has been concluded
- that the statement of accounts has been published
- of the rights of inspection conferred in local government electors by section 25 of the Act and the address at which, and the hours during which, those rights may be exercised

At this stage whilst the financial statements audit is concluded, the Auditor's have not yet reported on value for money arrangement and cannot complete their work necessary to issue a Whole of Government Accounts Component Assurance Statement for the year ended 31 March 2023. The Fire Authority cannot therefore issue this statement.

The notice of conclusion of the audit will be added to the website alongside the audit certificate as soon as this is issued. The final set of audited accounts can be found below:
